

# **Governor's Commission for a Drug Free Indiana**

*A Division of the*

## **Comprehensive Community Plan**

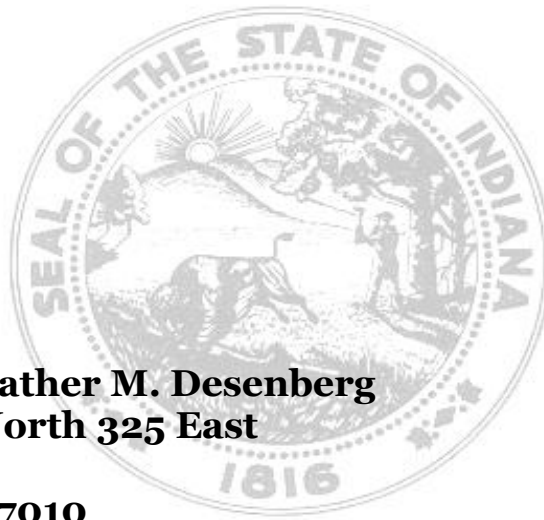

**County: Kosciusko County**

**LCC: K-CODE**

**Date Due: August 31, 2016**

**Date Submitted: August 2014**

**New Plan      X- Plan Update**

**LCC Contact: Heather M. Desenberg**

**Address: 2880 North 325 East**

**City: Warsaw**

**Phone: 574-269-7010**

**Email: [hmdesenberg@gmail.com](mailto:hmdesenberg@gmail.com)**

**County Commissioners: Kosciusko County Commissioners**

**Address: 100 N. Center Street**

**City: Warsaw, IN**

**Zip Code: 46580**

## Plan Summary

**Mission Statement:** As incorporated in our By-Laws and most recently revised for clarity on September 09, 2002, the Mission Statement of the Kosciusko Coalition of Drug Education reads:

The purpose of this council is to investigate problems associated with drug, alcohol and other addictive behaviors in our community, examine available funding and to coordinate programs of prevention and education.

**History:** In 1989, the first Local Coordinating Council (LCC) meeting was held in Kosciusko County at the Criminal Justice Building. Those invited to attend were judges, school administrators, treatment specialists, law enforcement administrators, child protective services, clergy, parents and among others. Since then, we have met regularly.

Once the state statute was introduced, we were able to stabilize our LCC because a formal body was then authorized to make the recommendations to the county commissioners and council rather than an individual. Up until that point, there was a question as to who was authorized to do just that.

Kosciusko county judges have been very faithful in charging offender fees during the past 10 years and we have had up to \$100,000.00 funds available as we plan and take our Requests for Proposals and as little as \$65,000.00. Unfortunately, that also means that we have housed our share of drug and alcohol offenders.

**Summary of the Comprehensive Community Plan:** In 2013, K-CODE will continue to work on 3 new problem statements. Those statements are as follows:

1. Usage rates of alcohol by youth and adults continue to be a problem in Kosciusko County.
2. The use of methamphetamine continues to be a problem in Kosciusko County.
3. The use of “other” drugs continues to be a concern within Kosciusko County, including too many youth and adults.

Each problem state listed involves many different groups of individuals and programs.

With the increase of youth involvement in criminal activities, the High Schools are working on random drug testing and helping to educate students in the effects of long term use of drugs and alcohol.

The Boys and Girls Club offer after school programs including Smart Moves. The younger students are also involved in the DARE programs sponsored by the Police Departments. UPDATE (JULY 2011): The Kosciusko Boys & Girls Club is no longer in service. The administrator has retired and the organization's board could find no one to take her place.

With the increase of education, we should see a decrease in alcohol and drug use. With the need for continuing education and understanding of consequences of alcohol and drugs, the above programs along with the programs of the Otis Bowen Center, ARC, Lifeline and other agencies we can help educate adults also.

With the low-income and indigent families in Kosciusko County the continued search for programs is ongoing.

K-CODE continues to help with the funding to further educate the low-income or indigent families in the community. The Otis R. Bowen Center continues to find new treatment procedures.

With continued education and support, Kosciusko County will see continued success in the above statements.

## Membership List Updated (July 2013)

**County LCC Name:**

#	Name	Organization	Race	Gender	Category
1	Kim Kelley	Rose Home	White	Female	Self Help
2	Dani Barkey	Warsaw Community HS	White	Female	Education

## Problem Identification

### **A. Problem Statement #1: Usage rates of alcohol by youth and adults continue to be a problem in Kosciusko County.**

#### **B. Supportive Data:**

1. % of all traffic fatalities in Kosciusko County were alcohol-related
2. According to the Kosciusko County Sherriff's Department:
  - \*Minor alcohol offenses – 126
  - \*Public intoxication – 140
  - \*OWI – 434
3. This According to Kosciusko County Sheriff's Department:
  - \*Minor/illegal transportation of alcohol – 2
  - \*Minor/inside a tavern – 1
  - \*OWI misdemeanor – 337
  - \*OWI minor in vehicle – 7
  - \*OWI endangerment – 3
4. Serenity House reported that clients reported 50% use and abuse of alcohol.
5. According to Warsaw Police Department in 2012
  - \*Minor/illegal consumption – 29
  - \*Minor/illegal Possession of alcohol – 4
  - \*Minor public Intoxication – 4
  - \*Minor DUI – 1
  - \*Adult DUI (liquor) – 403
  - \*Adult Illegal consumption – 28
  - \*Adult Public Intoxication – 40
6. According to Pierceton Police Department in 2012:
  - \*Minor/illegal consumption – 0
  - \*Public Intoxication – 3
  - \*OWI Misdemeanor – 1
  - \*OWI – Alcohol – 3
7. According to the Bowen Center their clients reported in 2012:
  - \*Alcohol Abuse – 6
  - \*Alcohol Abuse in Remission – 0
  - \*Alcohol Dependence – 67
  - \*Alcohol Dependence, in Remission – 3
  - \*Alcohol Withdrawl – 0
  - \*Alcohol-related Disorder (NOS) – 2

**End of Year 1 Update (2014):****B. Supportive Data:**

1. % of all traffic fatalities in Kosciusko County were alcohol-related
2. According to the Kosciusko County Sheriff's Department:
  - \*Minor alcohol offensives – 132
  - \*Public intoxication – 136
  - \*OWI – 438
3. This According to Kosciusko County Sheriff's Department:
  - \*Minor/illegal transportation of alcohol – 2
  - \*Minor/inside a tavern – 0
  - \*OWI misdemeanor – 328
  - \*OWI minor in vehicle – 5
  - \*OWI endangerment – 3
4. Serenity House reported that clients reported 50% use and abuse of alcohol.
5. According to Warsaw Police Department in 2013
  - \*Minor/illegal consumption – 31
  - \*Minor/illegal Possession of alcohol – 4
  - \*Minor public Intoxication – 3
  - \*Minor DUI – 0
  - \*Adult DUI (liquor) – 413
  - \*Adult Illegal consumption – 32
  - \*Adult Public Intoxication – 40
6. According to Pierceton Police Department in 2012:
  - \*Minor/illegal consumption – 0
  - \*Public Intoxication – 2
  - \*OWI Misdemeanor – 1
  - \*OWI – Alcohol – 2
7. According to the Bowen Center their clients reported in 2013:
  - \*Alcohol Abuse – 7
  - \*Alcohol Abuse in Remission – 1
  - \*Alcohol Dependence – 69
  - \*Alcohol Dependence, in Remission – 3
  - \*Alcohol Withdrawl – 0
  - \*Alcohol-related Disorder (NOS) – 0

**End of Year 2 Update (2015):****Final Update (end of Year 3 - 2016):****C. Goals:**

**To reduce the usage rates of alcohol by youth and adults by 3% by 2016.**

**1. End of Year 1 Annual Benchmarks (2014):**

The usage rates of alcohol by youth and adults has increased over the past year. While the rates have only increased by about 8%, there still seems to be an increase. K-CODE continues to help support the OPO locations that are set up by the Police Departments in Kosciusko County.

**2. End of Year 2 Annual Benchmarks (2015):****Final Report (end of Year 3 - 2016):****D. Objectives:**

1. K-CODE will continue to support agencies and their programs that support the education of alcohol and its effects.
2. K-CODE will help promote alcohol free events in Kosciusko County. K-CODE will help promote all events with funding and advertising support.
3. K-CODE will continue to help self-help and treatment providers in Kosciusko County.
4. K-CODE will continue to help fund the purchasing of equipment for OPO and other local programs
5. With the education of Elementary, Middle and High School students in Kosciusko County through the DARE program, we continue to help educate the youth in our county.

**End of Year 1 Update (2014):**

1. K-CODE will continue to support agencies and their programs that support the education of alcohol and its effects. The past year KCODE has worked closely with the DARE program to educate our youth about the use of alcohol. We have helped to support the graduation of all 6<sup>th</sup> grade students in Kosciusko County with the Retro Bill, the DARE spokes person.
2. K-CODE will help promote alcohol free events in Kosciusko County. However, in 2014 there were no promotions to help with in Kosciusko County.
3. K-CODE will continue to help self-help and treatment providers in Kosciusko County. K-CODE works with Bowen Center and Serenity House to continue

education with clients by purchasing books, or programs to help. The number of clients helped through the Bowen Center program is unknown due to confidentiality. Serenity House purchased 50 12 step books that helped 23 residents to further their treatment.

4. K-CODE will continue to help fund the purchasing of equipment for OPO and other law enforcement programs. K-CODE has helped purchase 2 PBT's for local law enforcement.

K-CODE has continued the support the Agencies and their programs through granting funds for continued alcohol abuse. Bowen Center continues with their group meetings and self help program in Kosciusko County. K-CODE has continued to fund equipment for OPO and help with the promotion of OPO.

### **End of Year 2 Update (2015):**

### **Final Update (end of Year 3 – 2016):**

#### **A. Problem Statement #2: The use of methamphetamine continues to be a problem in Kosciusko County.**

#### **B. Supportive Data:**

1. According to the Kosciusko County Sheriff's Department in 2012:
  - \*Possession of Meth – 43
  - \*Ephedrine-restriction of sale – 2
  - \*Manufacturing Meth – 15
  - \*Dealing Meth – Illegal Drug Labs – 25
  - \*Possession of legend or precursor drug - 39
2. According to Serenity House during 2012, 35% of their clients had admitted to and addiction to meth.
3. According to the Warsaw Police Department in 2012:
  - \*Possession of Meth – 23
  - \*Possession of Precursors – 52
4. According to the Pierceton Police Department in 2012:
  - \*Possession of Meth – 0
  - \*Possession of Precursors – 3
  - \*Dealing Meth – 0
  - \*Ephedrine – Restriction of sale – 2
  - \*Manufacturing of Meth – 0
5. Bowen Center Chemical Dependency Services reported for 2013:
  - \*Amphetamine Abuse – 2
  - \*Amphetamine Dependence – 16
  - \*Amphetamine Dependence, in Remission - 2
  - \*Amphetamin Related Disorder (NOS) - 0

**End of Year 1 Update (2014):**

1. According to the Kosciusko County Sheriff's Department in 2013:
  - \*Possession of Meth – 46
  - \*Ephedrine-restriction of sale – 3
  - \*Manufacturing Meth – 19
  - \*Dealing Meth – Illegal Drug Labs – 25
  - \*Possession of legend or precursor drug - 46
2. According to Serenity House during 2013, 35% of their clients had admitted to and addiction to meth.
3. According to the Warsaw Police Department in 2013:
  - \*Possession of Meth – 28
  - \*Possession of Precursors – 57
4. According to the Pierceton Police Department in 2013:
  - \*Possession of Meth – 0
  - \*Possession of Precursors – 3
  - \*Dealing Meth – 0
  - \*Ephedrine – Restriction of sale – 2
  - \*Manufacturing of Meth – 0
5. Bowen Center Chemical Dependency Services reported for 2013:
  - \*Amphetamine Abuse – 2
  - \*Amphetamine Dependence – 12
  - \*Amphetamine Dependence, in Remission - 2
  - \*Amphetamin Related Disorder (NOS) - 0

**End of Year 2 Update (2015):****Final Update (end of Year 3 - 2016):****C. Goals:**

**To reduce the incidences of methamphetamine use in Kosciusko County by 5% by 2016.**

**End of Year 1 Annual Benchmarks (2014):**

K-CODE continued to be involved with the Meth Awareness Group in Kosciusko County. K-CODE was involved with the group which continued to work with the community to bring awareness to the Meth issues in Kosciusko County. Through Community Meet and Greets and Seminars in small towns in Kosciusko County, K-CODE, along with the Meth Awareness Group the numbers of Meth being found in Kosciusko County has decreased by a small percentage. When asked for the actual percentage of decrease in Meth use in Kosciusko County, and exact number could not be given to report. K-CODE will continue to help in the support of Bowen Center and Serenity House by providing funding to help with scholarships for residents.

**End of Year 2 Annual Benchmarks (2105):****Final Report (end of Year 3 - 2016):****D. Objectives:**

1. K-CODE continued to help support the Drug Task Force increase the awareness of Meth use in Kosciusko County by supporting Town Hall Meetings. Members would be available to answer questions and pass out brochures.
2. K-CODE continued to fund self help programs, such as Rose Home and Serenity House in Kosciusko County. Scholarships were funded in both home with Rose Home having 10 scholarships and Serenity House having 19 scholarships funded. The scholarships are granted to the incoming residents to help pay for their program books, first months rent and drug test. These funds help these residents get a “start” into the community.
3. K-CODE has helped increase awareness among the general public in Kosciusko County in the following ways:
  - a. Billboards have been placed in key areas in Kosciusko County with the impact of “I was a good parent before Meth, can you tell?” Changing the Bill Boards once every 6 months, as well as the location.
  - b. Radio spots were placed on the radio to counter the Bill Boards as well. The same message, “I was a good parent before Meth, can you tell?” was used in these radio spots.
  - c. The Meth Awareness group continues to hold public forums about the meth use and abuse in Kosciusko County. They have worked hard to the smaller towns and neighborhoods that can use the message.
  - d. Continued support treatment is available to those addicted to meth.
4. Town Hall meetings are still being held in Kosciusko County to continue to educate the public on the suspicion of Meth Labs in their area.

**End of Year 1 Update (2014):**

1. K-CODE continued to help support the Drug Task Force increase the awareness of Meth use in Kosciusko County by helping with a new Awareness group in Kosciusko County. K-CODE had members join this group, as well as help with the Meet and Greets in our County.
2. K-CODE continued to fund self help programs, such as Rose Home and Serenity House in Kosciusko County. Scholarships were funded in both home with Rose Home having 0 scholarships and Serenity House having 20 scholarships funded. Serenity House continues to be a “full house” with scholarship participants.
3. K-CODE has helped increase awareness among the general public in Kosciusko County in the following ways:

a. Billboards have been placed in key areas in Kosciusko County with the impact of “I was a good parent before Meth, can you tell?” K-CODE continues to help with the changing the Bill Boards once every 6 months, as well as the location in the community.

b. Radio spots were placed on the radio to counter the Bill Boards as well. The same message, “I was a good parent before Meth, can you tell?” was used in these radio spots. The radio spots were produced by the leader of the Serenity House, which is a strong voice in the community.

c. The Meth Awareness group continues to hold public forums about the meth use and abuse in Kosciusko County. They have worked hard talking to the smaller towns and neighborhoods that can use the message. While there was not a sign in sheet at these meetings, those hosting the meetings reported that there were approximately 30 - 50 people in attendance.

d. Continued support treatment is available to those addicted to meth through a program at Bowen Center.

4. Four Town Hall meetings are still being held in Kosciusko County to continue to educate the public on the suspicion of Meth Labs in their area. The members hosting these meetings reported there were approximately 30 – 50 people in attendance.

K-CODE continues to support the Meth Awareness Billboards and Radio spots in Kosciusko County. We will continue to help with awareness of Meth and the trouble that it brings to our community.

#### End of Year 2 Update (2015):

#### Final Update (end of Year 3 -2016):

**A. Problem Statement #3:** The use of other illicit drugs continues to be a concern within Kosciusko County among youth and adults.

#### B. Supportive Data:

1. According to the Kosciusko County Sheriff’s Department in 2012:
  - \*Dealing Cocaine – 16
  - \*Possession of Cocaine – 15
  - \*Dealing a controlled substance 1, 2, or 4 – 25
  - \*Dealing Meth – 25
  - \*Dealing Marijuana, Misdemeanor – 2
  - \*Dealing Marijuana, Felony C – 7
  - \*Dealing Marijuana, Felony D – 13
  - \*Dealing a controlled Substance – 42
  - \*Dealing a controlled Substance III – 6
2. Serenity House reported % of clients reported us and abuse of pills and use of abuse of marijuana
3. According to the Warsaw Police Department
  - \*Dealing of Cocaine – 10

- \*Possession of Cocaine – 9
- \*Dealing a Controlled Substance – 8
- \*Possession of Marijuana – 152
- \*Possession of controlled substance 1 or 2 – 9
- \*Dealing Marijuana – 25
- 4. According to the Pierceton Police Department:
  - \*Dealing Cocaine – 0
  - \*Possession of Cocaine – 0
  - \*Dealing a Controlled Substance - 0

#### End of Year 1 Update (2014):

1. According to the Kosciusko County Sheriff's Department in 2013:
  - \*Dealing Cocaine – 18
  - \*Possession of Cocaine – 15
  - \*Dealing a controlled substance 1, 2, or 4 – 27
  - \*Dealing Meth – 28
  - \*Dealing Marijuana, Misdemeanor – 2
  - \*Dealing Marijuana, Felony C – 7
  - \*Dealing Marijuana, Felony D – 11
  - \*Dealing a controlled Substance – 40
  - \*Dealing a controlled Substance III – 6
2. Serenity House reported 75% of clients reported use and abuse of pills and use of abuse of marijuana
3. According to the Warsaw Police Department
  - \*Dealing of Cocaine – 10
  - \*Possession of Cocaine – 12
  - \*Dealing a Controlled Substance – 8
  - \*Possession of Marijuana – 168
  - \*Possession of controlled substance 1 or 2 – 9
  - \*Dealing Marijuana – 31
4. According to the Pierceton Police Department:
  - \*Dealing Cocaine – 0
  - \*Possession of Cocaine – 0
  - \*Dealing a Controlled Substance - 0

#### End of Year 2 Update (2015):

#### Final Update (end of Year 3 - 2016):

#### C. Goals:

**To reduce the usage rates of illicit drugs among Youth and Adults in Kosciusko County by 4% by 2016.**

#### End of Year 1 Annual Benchmarks (2014):

K-CODE supports the use of Pill Drop Boxes in a number of locations in Kosciusko. We will continue to help the Police Departments with “spreading” the word of the locations of the drop boxes.

#### **End of Year 2 Annual Benchmarks (2015):**

K-CODE supports the use of Pill Drop Boxes in a number of locations in Kosciusko. We will continue to help the Police Departments with “spreading” the word of the locations of the drop boxes K-CODE has added 5 boxes in Kosciusko County. We have placed those boxes in different locations in the outer locations.

#### **Final Report (end of Year 3 - 2016):**

##### **D. Objectives:**

1. By 2012, Kosciusko County will have implemented a “Disposal of Unwanted Medication/Drugs” program, utilizing county-wide established policies & procedures.
2. K-CODE supported the education, prevention and early intervention programs that address the negative impact of illicit drugs through the DARE program. K-CODE also helped with the funding of the indigent clients at Bowen Center.
3. Continue to work to raise public awareness of the problem of drug-related issues and their cost to society, targeting the general public with media campaigns and a special focus on the workplace.
4. Support law enforcement and judicial initiatives that address drug-related offenses and issues. K-CODE continues to support the education of the drug “drop boxes” in the county.

#### **End of Year 1 Update (2014):**

1. In 2013, Kosciusko County implemented a “Disposal of Unwanted Medication/Drugs” program, utilizing county-wide established policies & procedures. With the increase of the number of boxes being used to 5, the amount of illicit drugs being removed from the community has increased
2. K-CODE continues to work to raise public awareness of the problem of drug-related issues and their cost to society, targeting the general public with media campaigns and a special focus on the workplace. Education has been provided to local companies in Kosciusko County through the Human Resource Departments.
4. DARE continues to work with law enforcement and judicial initiatives that address drug-related offenses and issues among our youth. K-CODE will continue to work with both DARE and local law enforcement on education for the 6<sup>th</sup> grade students in Kosciusko County. All 6<sup>th</sup> grade students are offered the DARE program through the Health program. There are approximately 524 6<sup>th</sup> grade students that offered the DARE program.

Kosciusko County has collected over 100 pounds of unwanted medication and drugs. With having 5 “drop” locations for unwanted medication and drugs the community has had the opportunity to help get the illicit drugs out of the medicine cabinets and off the streets. K-CODE will continue to support the boxes, and push the awareness of these drop locations.

**End of Year 2 Update (2015):**

**Final Update (end of Year 3 - 2016):**

**Next Annual Update Due: August 2016**

**Next Comprehensive Community Plan Due: August , 2015**

**Date of Community Consultant Review:**

**Disclaimer:**

You agree that the information provided within this Plan is subject to the following Terms and Conditions. These Terms and Conditions may be modified at any time and from time to time; the date of the most recent changes or revisions will be established by the Commission and sent electronically to all Local Coordinating Councils.

**Terms and Conditions:**

The information and data provided is presented as factual and accurate. I hereby acknowledge that I can be asked to submit proper documentation regarding the data submitted within the Plan. Failure to do so could result in a “denied approval” by the Commission under IC 5-2-6-16.

The Local Drug Free Communities Fund must be spent according to the goals identified within the plan. I hereby acknowledge that I can be asked to submit proper documentation regarding funds that are collected, allocated, and disbursed within the county. Failure to do so could result in a “denied approval” by the Commission under IC 5-2-6-16.
